

Application for Scholarship

Scholarship Guidelines

Purpose

The Sherwood Heights School Scholarships demonstrate the commitment of the school to providing excellence and equality in education to exceptional applicants regardless of their financial backgrounds.

Information

The scholarships awarded by Sherwood Heights School are need-based scholarships. They are financial awards given to students who would not be able to attend Sherwood Heights School without financial assistance, and who can further demonstrate a commitment to academic excellence.

All decisions regarding scholarships and the amounts of financial assistance awarded will be finalized by the first week of July for the upcoming school year beginning in September.

Parents are reminded due to the considerable number of scholarship applications received every year, only a limited number of scholarships can be awarded. Parents are further encouraged to submit the scholarship packages early.

Value

The amount of financial assistance given will be applied as a reduction in tuition fees. All applications will be kept confidential.

Eligibility

Sherwood Heights School scholarships are awarded to students who are applying for admission into grades one through eight. Applicants must demonstrate financial need as well as a commitment to academic excellence.

Entrance Testing

Selected scholarship candidates will be contacted, and an appointment will be scheduled for an interview, and a written test.
